

Maple Grove is on Roost this year

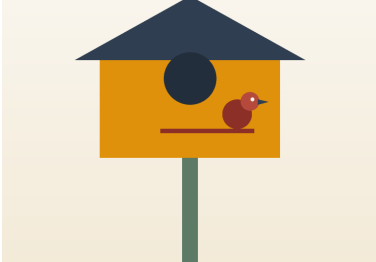

NEW THIS YEAR

We are all on Roost this year

The class lists, our clubs and committees, and every volunteer sign-up now live in one place. No more hunting through old emails for the carnival link.

Set up your family

Takes about two minutes.

What Roost actually is

It is the school directory, and it does a bit more than list names. You decide what other families can see about you, and you can change that whenever you like.

From there you can find the families in your child's class, join a committee, and take a volunteer shift without leaving the app.

The Fall Carnival

On the field this year, not in the gym.

Carnival

Our biggest night of the year. Games run by each grade, food, and the dunk tank is back.

When: Friday, September 25, 2026, 5 p.m. – 7:30 p.m.

Where: Maple Grove Elementary

NEVER DONE THIS BEFORE?

Take one half-hour shift. You will be working next to somebody who has done it for years, and you will still get round most of the carnival with your own kids.

What else is in there

The directory. Search by name, or browse by class and grade. You choose whether your address and phone are shown.

Circles. Make your own small group for a carpool or a birthday party, and email everyone in it at once.

Clubs and committees. Every group at Maple Grove, who runs it, and what it needs.

Sitters and tutors. Older kids in our own community who babysit or tutor, listed by their families.

If you get stuck, reply to this email and one of us will help. We would rather answer the same question forty times than have anyone give up on it.

See you at the carnival,
Rita Reyes

SPONSOR THIS DIRECTORY

Could your business be here?

Our directory is read by guardians at our school looking for a dentist, a piano teacher, a place for a birthday party. If you own a local business, or know one that would like to reach these families, we would love to hear from you. Sponsors can include an offer or a coupon, which is the part families actually use.

One week	\$50
Your name and a link on the sponsors page	
One month	\$150
Adds your logo and a coupon families can use	
The school year	\$750
Runs all year, and in every newsletter we send
